1. Schoenefeld Station

The levelling of ground on the south side has been completed. Building materials have been piled up, and it appears that buildings are to be constructed there.

2. Grossbeeren-Ludwigsfelde Section of Railroad

- a. Tracks are being renewed within the precincts of Grossbeeren Station. Earth-works for laying a second track are under construction.
- b. In the area of Birkengrund-Nord station on a stretch 2 km. long, preparations for laying a second track can also be seen. Short sections of the second track have already been laid.
- c. Sidings are being built at the stations so that each station should eventually have four tracks.
- d. No large numbers of workmen were to be seen. It was said by a railwayman that work was being hindered because of a lack of materials.
